

# **PROGRAMME IN RISK MANAGEMENT**

**Qualification Code: 7594-9**

Risk management has emerged as one of the major management disciplines in a business environment. The programme in risk management will provide employees with the required theoretical knowledge and practical implementation to be able to manage the risks that the organisation faces.

## **Duration of the programme**

12 months

## **Registration requirements**

A National Senior Certificate or equivalent.

Graduates who have successfully completed papers in Business Management, Statistics, Accounting and Economics may apply for exemption for the corresponding modules if it is not older than 10 years. Exemption for a maximum of 3 modules may be granted.

## **Content**

The programme consists of the following semester modules:

<b>Code</b>	<b>Module</b>
PRIM014	Introduction to Enterprise Risk Management
PRIM025	Business Management
PRIM036	Statistics
PRIM048	Business Finance and Accounting
PRIM059	Economics
PRIM06A	Risk Financing
PRIM07B	Risk Control

It is recommended that students register for the first four modules during the first semester of registration and three modules for the second semester. Students are allowed to register for a maximum of four modules per semester.

**Evaluation and examination**

Students will be assessed on the basis of assignments completed during the duration of the programme and a formal two-hour examination on each module to be written during May/June and October/November at official UNISA examination centres. To pass a module, a student must obtain a minimum of 50% in the examination.

**Certificate**

On successful completion of the 7 modules, students will be awarded a certificate by the University.

**Credits**

- Level 6
- 108 credits

**Language**

English

**Teaching method**

Distance education by means of study guides, tutorial letters and assignments.

**Registration, commencement date and fees**

Registration detail is as follow:

- First Semester: Registration 01 December 2011 to 20 Jan 2012 for the semester starting in January 2012 (Exam May/June 2012).
- Second Semester: Registration 18 June 2012 to 13 July 2012 for the semester starting July 2012 (Exam October/November 2012).

The cost per module is R1100.00 which includes study material, tuition and examination fees. An additional cost per module will be levied for students abroad in order to cover costs. Prescribed books are not included and students must acquire the prescribed books themselves. Information/quotes on the prescribed books can be requested via email from [info@proactiverisk.co.za](mailto:info@proactiverisk.co.za) or [www.proactiverisk.co.za](http://www.proactiverisk.co.za)

Registration forms should be faxed and accompanied by a copy of National Senior Certificate and ID. Once registered a unique student number and invoice will be provided for payment purposes. On receipt of the full fees for the number of modules registered for, per semester, the study material will be dispatched.

**Lecturer responsible for his programme:**
